

2) Welcoming Customer

Welcome to Sweet Salon. Do you have an appointment?

Actually I was wondering if you took walk-ins. This is my first time to come here.

Yes, we do. All the stylist's are full. Is it okay if you'll wait for a few minutes, Jezz is free few minutes from now.

That's great! Next time I'll make an appointment.

Hi! I'm Jezz. What hairstyle do you want?

Well, what do you think? I'm tired of the same old style. I want something fresh and different.

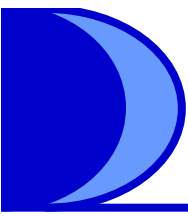

Ok , why not make it straight and short? Or if you like we can make it long and layered to make you look younger.

I don't want it too short! Only a trim.

Okay. Layered it is then. Sit back and relax and prepare for a new you.
