

# Airport Delays on the Rise

## Multiple Choice

1. Which of the following is not an example of mass transportation?

- a) airplanes
- b) trucks
- c) trains
- d) buses

2. Which of the following are reasons for airport delays?

- a) too many planes
- b) weather
- c) different regions operate differently
- d) all of the above

3. The first thing the FAA wants to do is \_\_\_\_\_

- make all the regions the same
- b) take control away from the regions during heavy traffic and bad weather
- c) buy new computers for all the airports
- d) study the problem of airport delays

## Your Turn

1. Describe a time when your or travel plans were ruined by airport delays. What happened?
2. Do you think airports can be expected to keep all flights on time? Why or why not?
