

Topic Card 8

Directions:

Please read the passage aloud starting from the title.

Natural Medications

Today, many people are interested in natural medicine instead of using chemical medicine. People choose natural medications because they are safer than prescription medications. Using natural remedies helps you solve your health issues and improve your health in general without experiencing serious side effects. Additionally, majority of these treatments are affordable and most of the ingredients used in them can be found in modern households.

Please look at the pictures below. Then, please answer the questions based on the pictures.
