Extra Lessons After School

Today, some schools offer extra lessons after school for the students who need them. College students and retired people support this program as volunteers. Sometimes, students work in groups and help each other in order to understand their lessons better. With this, they can get along with other students at school.

Please look at the people in Picture A. They are doing different things. Tell me as much as you can about what they are doing.

A girl is _____
A boy is _____
A boy is _____
A boy is _____
etc.....

Now, look at Picture B. Please describe the situation.
