Social Networking Websites

These days, several social networking websites have become very popular. With these websites, people can share and exchange opinions and information with each other. Making friends and keeping in touch with old friends have also become easy through these social networking websites. These websites are drawing more attention worldwide as a tool for communication.

Please look at the people in Picture A. They are doing different things. Tell me as much as you can about what they are doing.

A woman is _____
A woman is _____
A man is _____
A woman is _____
etc....

Now, look at Picture B. Please describe the situation.
