

Topic Card 14

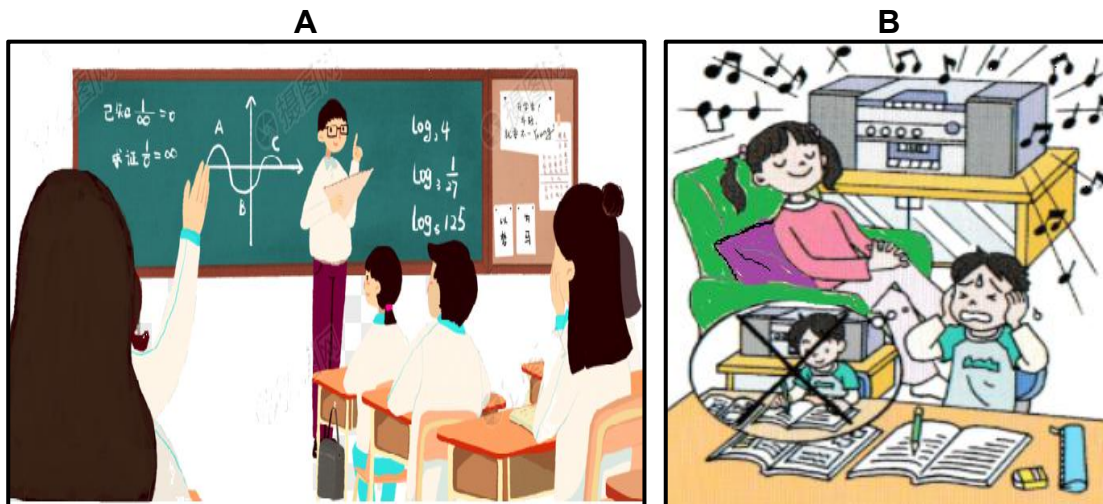

Directions:

Please read the passage silently for 20 seconds. Then, read the passage aloud starting from the title.

The Mathematical Olympiad

The Mathematical Olympiad is a global competition of high school students in national teams of six. It is held in a different country each year. The Mathematical Olympiad aims to develop an interest in math and improve the mathematical skills of participants. Today, this competition is attracting the attention of many schools.

Please look at the people in Picture A. They are doing different things. Tell me as much as you can about what they are doing.

A woman is _____
A man is _____
A woman is _____
A man is _____
etc....

Now, look at Picture B. Please describe the situation.
