

Every evening at six o'clock an old man, 82 years of age, goes to the restaurant to take his dinner. After dinner, he drinks coffee and talks to Cara. Cara is a waitress who is kind to Bill. She knows Bill is lonely so she talks to him quite often. When Bill doesn't eat in the restaurant she checks on him. Now the policeman tells her that Bill is dead and she's a recipient of the \$500,00 Bill has left for her.

After each sentence, select the word which best fills in the blank left in that sentence.
