

Let's Study

Daniel: What happened to him?

Sophie: I think he's drinking again.

Daniel: Why do you think so?

Sophie: He has no balance when he's walking.

Daniel: Maybe he's been working so hard and tired.

Sophie: I don't think he's been working hard.

Daniel: Why not?

Sophie: He was fired last week.

Let's practice

What do you think are the stories in the pictures below?
