

- A. What are you doing?
- B. I'm trying to fix my kitchen sink.
- A. What's wrong with it?
- B. It's leaking.
- A. I see. And you're trying to fix it yourself?
- B. Yes. But I'm having a lot of trouble.
- A. You know, maybe you should call a plumber.
- B. Hmm. You're probably right.

Example:

- a. my kitchen sink
- b. It's leaking
- c. call a plumber

You should call a Plumber

An electrician a carpenter a plumber the superintendent
the gas company
